FOUNTAINE PAJOT ASTREA 42 "LIBERTAD VII"

It incorporates a flybridge with perfect visibility from the helm, a large sunbathing area at the stern and another at the bow, ideal for relaxation and enjoying the sun or as a play space for the little ones. The cockpit, well-protected from the sun, connects at the same level with the kitchen.

For your onboard comfort, consider hiring our stewardess service. It's the best way to enjoy dream vacations with family or friends in the paradisiacal surroundings of Ibiza and Formentera, a world-renowned tourist destination.
